OrFresh

[FIGMA Files](#)

Simplicity was the goal when creating this website. As a visually appealing part of the design process, transitions are intended to keep the user interested. The platform provides clean and user-friendly visuals to keep users interested with the site.

Event Maker

[FIGMA Files](#)

Event Maker is a website that provides complete party services and event management programs. Designed in such a way that the visitor will not be bored while visiting our website, and the look and feel conveys everything about the party mode.

Paw Paradise

[FIGMA Files](#)

Paw paradise assisted pet owners by designing it in such a way that it looks lovely and feels tranquil while engaging. The veterinarians are quite professional in their work. Paw paradise is the best solution for pet owners who want to travel on short or extended trips without worrying about their dogs.
